Dear Mr Garrison

8- It is with  
mingled feelings of joy & sorrow  
that I look on your last  
Liberator - Joy for the mar-  
vellous work of the Lord, which  
its cessation marks a finished  
& sorry that we shall see the  
face of so staunch and faithful  
a friend no more.

I am wishing to make  
a short sketch of your life  
for the series of Men of our  
Times which I have been  
furnishing for the Watchman

2 Reflector

Can you point me  
to any short biography which  
will give a sort of frame work  
of dates & events that I  
may guide myself by - &  
if none exists written would  
you be willing to give me  
some brief memoranda for  
my purpose.

I wish you the heartiest  
blessings of this New Year  
the first, of Liberty to all  
— I have no fears that  
God will not finish the  
great work he has begun among  
us. He will carry it on

to the end

With warmest congratulations  
I therefore stretch to you  
the right hand of fellowship  
& congratulation. It is the  
Lord doing & marvelous in  
our eyes

Very truly Yours  
D. D. Stowe
